¹ FDA has approved a number of vendors' tests on an interim basis pursuant to what it calls an Emergency Use Authorization or "EUA." Upon information and belief, this is a fast-track review process that does not lead to a complete approval, but instead a temporary emergency approval in light of the pandemic. *See, e.g.*, <https://www.fda.gov/emergency-preparedness-and-response/mcm-legal-regulatory-and-policy-framework/emergency-use-authorization> (accessed 5/28/20). Defendants understand the Court's order to include EUA-approved tests as acceptable.
